

Program Manager Assembled
Chemical Weapons Alternatives

Key Program Partners in Kentucky and Colorado

A Partnership for Safe Chemical Weapons Destruction

The following organizations are key site program partners in the shared goal to safely and effectively destroy the chemical weapons stockpiles at the Blue Grass Army Depot and the U.S. Army Pueblo Chemical Depot.

Partners: Pueblo Chemical Weapons Destruction

Bechtel Pueblo Team

This team is the systems contractor selected to design, build, test, operate and close the Pueblo Chemical Agent-Destruction Pilot Plant.

- ▶ Contact: John Schlatter, Bechtel Pueblo Team Public Involvement Manager, (719) 546-0400, jfschlat@bechtel.com

Chemical Stockpile Emergency Preparedness Program (CSEPP)

The Colorado CSEPP enhances the emergency preparedness of the county, depot and state through equipment, personnel, training and public awareness.

- ▶ Contact: Alicia Johnson, Pueblo County Department of Emergency Management Public Information Officer, (719) 583-6222
- ▶ Contact: Marilyn Thompson, U.S. Army Pueblo Chemical Depot Public Affairs Officer, (719) 549-4135, marilyn.thompson@pcd.army.mil
- ▶ Contact: Polly White, Colorado Division of Emergency Management, (303) 273-1860, polly.white@state.co.us
- ▶ Contact: Deroy Holt, FEMA Region VIII, (303) 235-4819, deroy.holt@dhs.gov

Colorado Citizens' Advisory Commission (CAC)

The CAC serves as a bridge between the community and the government by providing a forum for exchanging information about chemical weapons disposal.

- ▶ Contact: John Klomp, Chair, (719) 248-8346, klomp@co.pueblo.co.us
- ▶ Contact: Jeannine Natterman, (888) 569-1831, ext. 3303, jeannine.natterman@state.co.us

Colorado CAC Permitting Working Group

The mission of this group is to expedite the planning, development and implementation of all aspects of the environmental permitting process for the Pueblo Chemical Agent-Destruction Pilot Plant.

- ▶ Contact: Doug Knappe, Co-chair, (888) 569-1831, ext. 3414, doug.knappe@state.co.us
- ▶ Contact: Irene Kornelly, Co-chair, (719) 591-5157, ikornelly@pcisys.net

Colorado CAC Public Involvement Working Group

This CAC subcommittee was established to assess public involvement opportunities and ensure the community is informed about chemical weapons destruction activities.

- ▶ Contact: John Klomp, Working Group Chair, (719) 248-8346

Colorado CAC Acceleration Options Working Group

This CAC subcommittee was established to study potential impacts of accelerating the destruction of chemical weapons at the Pueblo Chemical Depot.

► Contact: Ross Vincent, Working Group Chair, (719) 561-3117

Colorado Department of Public Health and Environment

This department is responsible for enforcing the Hazardous Waste Regulations in the state of Colorado, and will consider the Army's application for a permit for the Pueblo Chemical Agent-Destruction Pilot Plant.

► Contact: Doug Knappe, (888) 569-1831, ext. 3414, doug.knappe@state.co.us

► Contact: Jeannine Natterman, (888) 569-1831, ext. 3303, jeannine.natterman@state.co.us

Pueblo Chemical Stockpile Outreach Office

This office works with the surrounding communities to inform stakeholders about chemical weapons destruction in Colorado.

► Contact: Bob Kennemer, Outreach Office Manager, (719) 546-0400, crkennem@bechtel.com

U.S. Army Pueblo Chemical Depot

The depot is responsible for the safe and secure storage of the chemical weapons stockpile.

► Contact: Marilyn Thompson, Public Affairs Officer, (719) 549-4135, marilyn.thompson@pcd.army.mil

► Contact: Lorraine Waters, Public Affairs Specialist, (719) 549-4118, lorraine.waters@pcd.army.mil

Partners: Blue Grass Chemical Weapons Destruction

Bechtel Parsons Blue Grass Team

This team is the systems contractor awarded a basic contract to design, build, test, operate and close the Blue Grass Chemical Agent-Destruction Pilot Plant.

► Contact: Mickey Morales, Public Involvement Manager, (859) 625-1291, mlmorale@bechtel.com

Blue Grass Army Depot

The depot safeguards a ready supply of conventional munitions and provides chemical defense equipment and special operations support to the U.S. Department of Defense.

► Contact: Dave Easter, Public Affairs Officer, (859) 779-6221, dave.easter@bluegrass.army.mil

Blue Grass Chemical Activity

The activity is responsible for the safe storage of the chemical weapons stockpile stored at the depot.

► Contact: Richard Sloan, Public Affairs Officer, (859) 779-6897, richard.sloan@apea.army.mil

Blue Grass Chemical Stockpile Outreach Office

This office works with the surrounding communities to inform stakeholders about chemical weapons destruction in Kentucky.

► Contact: Sandra Plant, Outreach Office Manager, (859) 626-8944, swplant@bechtel.com

Blue Grass Environmental Working Integrated Process Team

This team's mission is to expedite the planning, development, and implementation of all aspects of the environmental permitting process for the Blue Grass Chemical Agent-Destruction Pilot Plant.

- ▶ Contact: Joe Elliott, Co-chair, (859) 779-6021, joe.elliott@bluegrass.army.mil
- ▶ Contact: Tim Thomas, Co-chair, (502) 564-2150, tim.thomas@ky.gov
- ▶ Contact: Jon Ware, (410) 436-2210, jon.ware@sbccom.apgea.army.mil

Chemical Stockpile Emergency Preparedness Program (CSEPP)

Kentucky's CSEPP enhances the emergency preparedness of the state, affected counties and cities.

- ▶ Contact: Michael Bryant, Madison County CSEPP Public Information Officer, (859) 624-4765, mfb6@juno.com
- ▶ Contact: Yvette Smith, Kentucky CSEPP Public Information Officer, (502) 607-5721, yvette.smith@ky.ngb.army.mil

Kentucky Chemical Demilitarization Citizens' Advisory Commission (CAC)

The Kentucky CAC serves as a link between the Blue Grass community and the Army by providing a forum for exchanging information about chemical weapons destruction.

- ▶ Contact: Dr. Douglas Hindman, Chair, (859) 985-0022, douglas.hindman@eku.edu

Chemical Destruction Community Advisory Board (CDCAB)

The Kentucky CDCAB is comprised of diverse representatives of the local community who have organized to provide advice and citizen input on issues regarding the Blue Grass Chemical Agent-Destruction Pilot Plant.

- ▶ Contact: Kent Clark, Madison County Judge-Executive, Co-chair, (859) 624-4700
- ▶ Contact: Craig Williams, Director of the Chemical Weapons Working Group, Co-chair (859) 986-7565, craig@cwwg.org

Kentucky Department for Environmental Protection

This department oversees the permitting process and final permit approval of the Blue Grass Chemical Agent-Destruction Pilot Plant.

- ▶ Contact: Shannon Powers, (502) 564-6716, shannonl.powers@ky.gov

U.S. Army Engineering and Support Center, Huntsville, Ala.

The Corps of Engineers is a team of civilian and military personnel that manages construction of military facilities for the Army. The team oversees the systems contractor assigned to design and construct the Blue Grass Chemical Agent-Destruction Pilot Plant.

- ▶ Contact: Steve Light, Blue Grass Military Construction and Funds Project Manager, (256) 656-0182, stephen.g.light@hnd01.usace.army.mil

U.S. Army Field Support Command

This command is responsible for the procurement process associated with the systems contracts for chemical weapons destruction facilities.

- ▶ Contact: Emil Maslanka, (309) 782-3420, emil.e.maslanka@us.army.mil
